Brochure & Model Lineup

## “Redefining the Super-Sport Catamaran”

### Fully Composite Hull Construction

Talon Powerboats are built for high performance. All Talon Powerboats hulls are hand built utilizing the highest quality and race proven vacuum infusion technology, using bi-axial and tri-axial fiberglass (Carbon Kevlar Optional), 100% high strength Vinyl Ester or Epoxy resin, and 100% composite construction (no wood) and gel coating on the hull, deck and liners. This construction technique, combined with fully glassing the hull & deck together creates a high strength, durable and high performance platform that our customer enthusiasts demand.

### Standard Features

- Fully Gel Coated – Single Color
- Cleats – Stainless Steel Pull Up
- Rub Rail – Polished Aluminum Clear Anodized
- Controls- Steering, Throttle, Shift, Trim
- Jack Plate/s – Hydraulic
- Interior – Vinyl, Race Style
- Steering – Full Hydraulic
- Prop/s – Stainless Steel
- Mercury VesselView Digital Dash
- Fuel Tank/s – Stainless or Composite
- Bilge Pumps & Drain Plugs
- Navigation Lights – Bow & Stern

### Key Specifications

	Hull Type Catamaran w/ Center Pod
	Length – 22 feet Beam – 8 feet
	Average Bare Hull Weight 1200 lbs
	Power Configuration Single Outboard
	Fuel Capacity Up to 35 Gallons
	Seating Capacity 5 Passengers
	Performance – 105MPH +
	5 Year Warranty on Hull

### Power Packages

Mercury Racing 300R

### Custom Options

	Carbon Kevlar Hybrid Layup
	100% High Strength Epoxy
	Custom Graphics/Marine Flooring
	Center Console
	Electronics & Gauges
	Props & Prop Tuning
	Hi-Fi Bluetooth Stereo
	Tandem Axle Trailer w/ brakes

### Dealer Pricing Estimates

Talon 22SS Base Price - \$73,000

Base Price inc Trailer - \$78,400
